## What is Astral Projection?

Astral projection is the ability to project your consciousness out of your body. This is different from dreaming, in which your consciousness is still attached to your body. When you astral project, you are able to travel anywhere in the universe, and you can interact with other beings and entities.

Astral projection is a natural ability that everyone has, but it takes practice to develop. This book will teach you everything you need to know to get started with astral projection, including step-by-step instructions, tips, and troubleshooting advice.

## What is Energy Healing?

Energy healing is the ability to use energy to heal yourself and others. Energy healing is based on the belief that everything in the universe is made up of energy, and that this energy can be used to promote healing.

There are many different types of energy healing, including Reiki, qigong, and crystal healing. This book will teach you the basics of energy healing, and how to use it to heal yourself and others.
