## Are you tired of asking Jesus into your heart and nothing happening?

If so, you're not alone. Millions of people have prayed this prayer, but few have actually experienced a genuine conversion. Why is this? Because most people don't understand what it means to ask Jesus into their hearts.

When you ask Jesus into your heart, you're not simply asking him to come into your life. You're asking him to become the Lord of your life. This means that you're giving him control of your thoughts, your words, and your actions. It means that you're surrendering your life to him.

Many people are not willing to do this. They want to keep control of their own lives. They want to be able to do what they want, when they want, and

how they want. They don't want to submit to anyone, especially not to Jesus.

But if you're serious about following Jesus, you need to be willing to give him control of your life. You need to be willing to surrender your will to his will. You need to be willing to let him lead you.

When you do this, you will experience a genuine conversion. You will be born again. You will become a new creature in Christ. And you will begin to experience the abundant life that Jesus came to give you.

### **So how do you stop asking Jesus into your heart and start experiencing the real Jesus?**

Here are four steps:

1. **Acknowledge your sin.** The first step to salvation is to acknowledge that you are a sinner. Everyone has sinned, so you are not alone. We need to realize that our sins have separated US from God and that we deserve to be punished for our sins.
2. **Repent of your sins.** Once you acknowledge your sin, you need to repent of your sins. This means turning away from your sins and turning to God. We need to ask God for forgiveness for our sins to be cleansed of our sins.
3. **Believe in Jesus Christ.** The third step to salvation is to believe in Jesus Christ. This means believing that Jesus is the Son of God and that he died on the cross to pay for our sins. We need to put our faith in Jesus and trust that he will save us.

4. **Receive Jesus Christ into your heart.** The fourth step to salvation is to receive Jesus Christ into your heart. This means asking Jesus to come into your life and become your Lord and Savior. We need to invite Jesus into our hearts and allow him to take control of our lives.

If you follow these steps, you will experience a genuine conversion. You will be born again. You will become a new creature in Christ. And you will begin to experience the abundant life that Jesus came to give you.

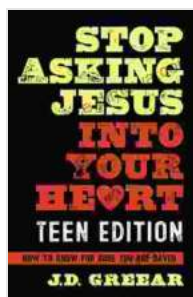

So don't wait any longer. Stop asking Jesus into your heart and start experiencing the real Jesus today.
