Join the adorable Mathemachicken and his friends as they embark on a game of hide-and-seek in the garden. But this is no ordinary hide-and-seek; each hiding spot is a mathematical puzzle that must be solved to reveal the hidden seeker.

Through engaging rhymes and vibrant illustrations, "The Great Mathemachicken Hide And Go Beak" introduces young readers to essential math concepts such as geometry, counting, and measurement. Each page

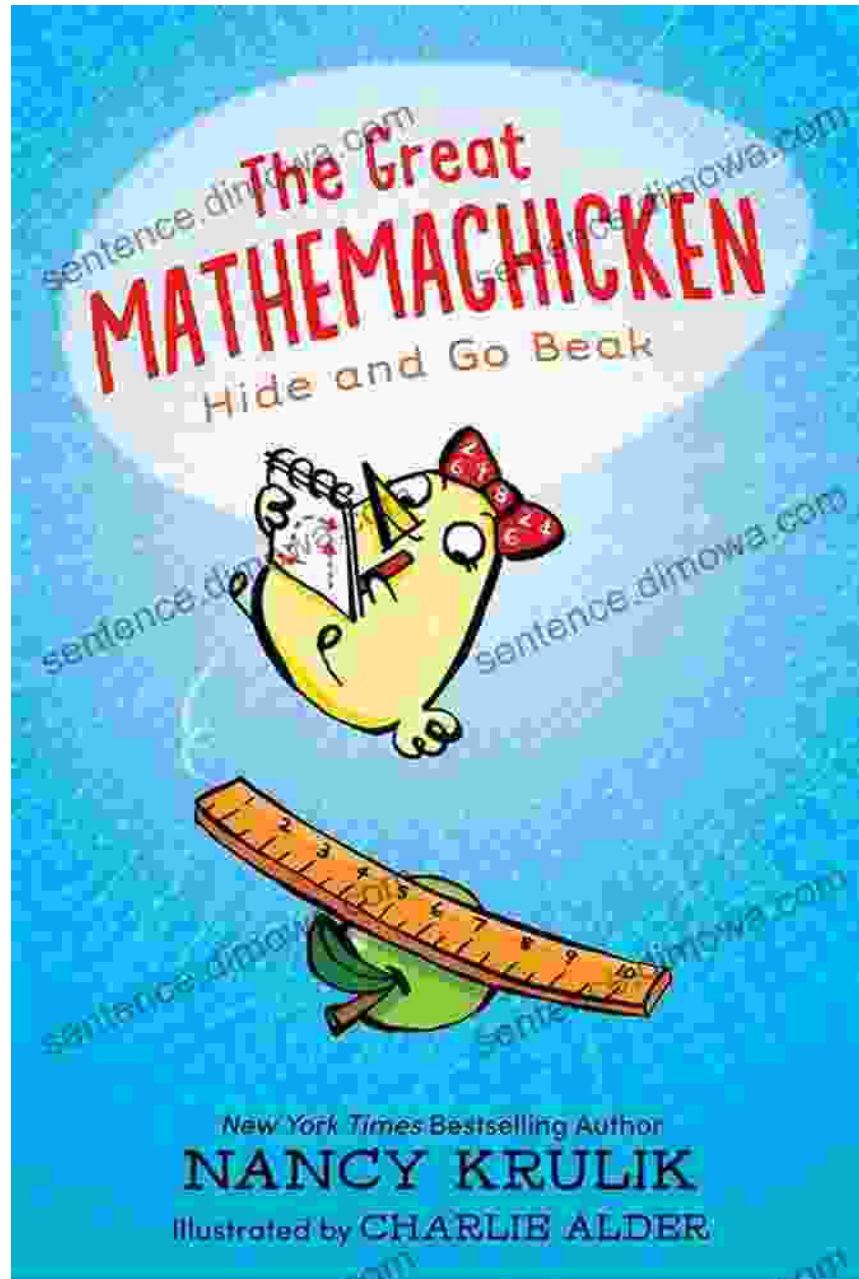

is a new mathematical challenge that encourages children to think critically and problem-solve.

But beyond the learning, "The Great Mathemachicken Hide And Go Beak" is also a heartwarming story about friendship and teamwork.

Mathemachicken and his friends support each other, work together to solve the puzzles, and celebrate their successes.

Perfect for ages 4-8, "The Great Mathemachicken Hide And Go Beak" is a must-have for any child who loves adventure, math, or simply a good story. It's the perfect blend of education and entertainment, making it an excellent resource for parents, teachers, and homeschoolers.

Give your child the gift of learning and imagination with "The Great Mathemachicken Hide And Go Beak." Free Download your copy today and embark on a mathematical adventure that will stay with them for a lifetime.
