franchise-best 14-2 record and a berth in the Super Bowl, where they defeated the Pittsburgh Steelers 31-25.

Over the next several years, Rodgers solidified his status as one of the NFL's elite quarterbacks. He received the NFL Most Valuable Player award in 2011, 2014, and 2020, becoming one of only five players in league history to win the prestigious award multiple times.

Rodgers' accolades also include seven Pro Bowl selections, nine All-Pro selections, and a Super Bowl MVP award. He holds numerous NFL records, including most consecutive seasons with at least 4,000 passing yards, highest career passer rating, and best touchdown-to-interception ratio.
