Smith was born in 1929 in Charleston, South Carolina. He grew up in a segregated society, and he experienced firsthand the racism and discrimination that Black people faced. Despite these challenges, Smith was determined to become a journalist. He attended South Carolina State University, where he studied journalism. After graduating, Smith worked for

several Black newspapers before joining the staff of the Washington Post in 1961.

At the Washington Post, Smith covered a wide range of stories, including the Civil Rights Movement, the Vietnam War, and the Watergate scandal. He was one of the first Black journalists to cover the White House, and he was known for his tough questions and his willingness to challenge authority.

In his memoir, Smith shares his experiences as a Black journalist in a white-dominated industry. He writes about the racism and discrimination he faced, and how he used his voice to fight for justice and equality. Smith also writes about the importance of mentorship, and how he helped to mentor other Black journalists.

Yeamo: My Career in Black and White is a powerful and inspiring memoir by a pioneering Black journalist. Smith's story is a reminder of the challenges that Black people have faced in America, and it is a testament to the power of journalism to make a difference in the world.
